Case No. 23-62260-dwh11

**DEBTOR'S MOTION FOR  
TEMPORARY AND FINAL  
AUTHORITY TO USE CASH  
COLLATERAL**

***EXPEDITED HEARING REQUESTED***

18 Pursuant to 11 U.S.C. § 363(c), Bankruptcy Rule 4001(b), and Local Bankruptcy Rule  
19 4001-1, Van's Aircraft, Inc. ("Debtor"), moves this Court for (i) entry of an Interim  
20 Order Authorizing Debtor's Use of Cash Collateral and (ii) after a final hearing held pursuant to  
21 Bankruptcy Rule 4001(c)(2), entry of a final order authorizing Debtor to use cash collateral  
22 during the pendency of this case. In support of this motion, Debtor incorporates the statements  
23 contained in the Declaration of Clyde A. Hamstreet in Support of Debtor's First Day Pleadings  
24 filed contemporaneously herewith and further states as follows:

25 1. On December 4, 2023 (the "Petition Date"), Debtor filed its voluntary petition for  
26 relief under Chapter 11 of the United States Bankruptcy Code.

1           2.       Debtor has continued in possession of its property and is continuing to operate  
2 and manage its business as Debtor-In-Possession pursuant to 11 U.S.C. §§ 1107(a) and 1108.

3           3.       This Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and  
4 1334. Venue is proper in this district pursuant to 28 U.S.C. §§ 1408 and 1409. This is a core  
5 proceeding pursuant to 28 U.S.C. § 157(b)(2).

6           4.       No request has been made for the appointment of a trustee or an examiner, and no  
7 official creditors' committee has yet been established in this case.

8           5.       Debtor is a corporation organized and existing under the laws of Oregon.

9           6.       Debtor is a kit aircraft manufacturer, founded in 1972. The Van's RV series of  
10 aircraft are all-aluminum, low-wing monoplanes of monocoque construction. As of October,  
11 2023, over 11,000 Van's RV kits have been reported as completed and flown by customers, with  
12 thousands more are under construction, making them most numerous of all homebuilt aircraft.  
13 The Van's Aircraft factory is currently located at a 60,000 square foot facility in Aurora, Oregon,  
14 and has approximately 110 employees.

15          7.       On or about October 30, 2023, Mrs. Diane E. Van Grunsven ("Mrs. Van Grunsven")  
16 entered into a secured promissory note with Debtor in the principal amount of \$2,000,000  
17 ("October 2023 Loan"). The October 2023 Loan is secured by a deed of trust as to real property  
18 owned by the Debtor and a blanket lien on Debtor's personal property which was perfected by  
19 filing a UCC financing statement in all personal property assets of the Debtor. Prior to the  
20 Petition Date, as part of her estate planning, Mrs. Van Grunsven transferred her interests in the  
21 October 2023 Loan to The Richard E. Van Grunsven and Diane E. Van Grunsven Trust (the  
22 "Trust").

23          8.       To preserve and maintain the assets of this bankruptcy estate and to preserve the  
24 value of Debtor as a going concern, Debtor requires the use of the Trust's cash collateral.  
25  
26

1           9. Debtor has prepared a 13-week cash collateral budget (attached hereto as  
2 **Exhibit 1**) (the “Budget”) setting forth the amount necessary for Debtor’s continued operations  
3 prior to the final hearing and during such 13-week period.

4           10. Contemporaneously herewith, Debtor has filed a motion seeking authority to  
5 obtain post-petition financing from the Trust pursuant to 11 U.S.C. §§ 364(c) and (d) (“Credit  
6 Motion”) to enable Debtor to fund its operating and administrative expenses to the extent that  
7 cash collateral is not sufficient.

8           11. Without the use of cash collateral, Debtor has insufficient funds to meet its  
9 expenses and other obligations set forth in the budget. Debtor has an immediate need to use the  
10 Trust’s cash collateral to pay its suppliers, employees, benefit plans, and ongoing operating  
11 expenses.

12           12. It is in the best interest of Debtor, its creditors, and its estate for Debtor to use the  
13 Trust’s cash collateral because the use of cash collateral will allow the continued operation of  
14 Debtor as a going concern, will maximize the likelihood of reorganization, and will maximize  
15 the recovery to all creditors.

16           13. To provide adequate protection for the use by Debtor of the Trust’s cash  
17 collateral, Debtor proposes that the Trust be granted (i) a replacement security interest in and lien  
18 upon Debtor’s assets generated or acquired from and after the Petition Date of the same category,  
19 kind, character, and description as were subject to the Trust’s lien on the Petition Date (the  
20 “Replacement Lien”) and (ii) an allowed administrative expense claim under Section 503(b) of  
21 the Bankruptcy Code that will have super priority as provided in Section 507(b) of the  
22 Bankruptcy Code against non-exempt property of the Debtor’s estate (real and personal, tangible  
23 and intangible), whenever acquired or arising, but excluding those claims and causes of action of  
24 the estate arising under Chapter 5 of the Bankruptcy Code, subject only to (A) any and all validly  
25 perfected security interests and liens existing as of the Petition Date, (B) the Replacement Lien,  
26 and (C) the lien granted to the Trust pursuant to order approving the Credit Motion. The

1 Replacement Lien shall be junior to the lien and provisions of the order approving the Credit  
2 Motion with respect to the post-petition loan from the Trust, including the Carve Out provisions  
3 thereof. The adequate protection granted to Trust shall not enhance or improve the position of  
4 the Trust with respect to its pre-petition debt.

5 14. Debtor will suffer immediate and irreparable harm if it is not permitted to use the  
6 Trust's cash collateral. Without the use of the Trust's cash collateral, Debtor will not be able to  
7 pay its payroll and other operating expenses and obligations set forth in the budget, Debtor's  
8 operations will need to cease, and the value of Debtor's assets will be materially diminished.

9 15. None of the provisions set forth in paragraph 5 of LBF 541.5 are included in this  
10 motion or the proposed order, except that pursuant to LBF 541.5(5)(a)(3), the proposed order at  
11 paragraph F provides that the obligations to the Trust pursuant to the October 2023 Loan  
12 constitute valid, binding, enforceable, and perfected liens on and security interests in the  
13 collateral and that such liens and security interests are not subject to subordination. However,  
14 that paragraph states that "[t]he foregoing admissions are without prejudice to the right any  
15 party-in-interest in this Chapter 11 case to challenge the amounts of the October 2023 Van  
16 Grunsven Trust Secured Debt, or the validity, enforceability, perfection, or priority of the Trust  
17 liens on and security interests in the Trust's collateral." Finally, paragraph 9 of the proposed  
18 order states that the "provisions of this Order shall be binding on any trustee appointed by the  
19 Court in either this case or upon the conversion of this case to one under Chapter 7."

20 16. A copy of the proposed Interim Order Authorizing Debtor's Use of Cash  
21 Collateral is attached hereto as **Exhibit 2**.

24 ///

25 ///

26 ///

WHEREFORE, Debtor prays that this Court enter an interim order (a) authorizing Debtor to use cash collateral pending a final hearing on this motion; (b) granting to the Trust adequate protection as herein proposed or as otherwise approved by the Court; and (c) setting a final or continued hearing on this motion.

B. This Court has jurisdiction over this matter pursuant to 28 U.S.C. § 1334. This is a "core" proceeding within the meaning of 28 U.S.C. § 157(b)(2)(M), among other provisions, and the Court has authority to enter this Order pursuant to 11 U.S.C. §§ 363 and 105, among other sections.

C. On or about October 30, 2023, Mrs. Diane E. Van Grunsven (“Mrs. Van Grunsven”) entered into a secured promissory note with Debtor in the principal amount of \$2,000,000 (“October 2023 Loan”). The October 2023 Loan is secured by a deed of trust as to real property owned by the Debtor and a blanket lien on Debtor’s personal property, which was perfected by filing a UCC financing statement in all personal property assets of the Debtor. Prior to the Petition Date, as part of her estate planning, Mrs. Van Grunsven transferred her interests in the October 2023 Loan to The Richard E. Van Grunsven and Diane E. Van Grunsven Trust (the “Trust”). The October 2023 Loan and all other documents, instruments, amendments, modifications, and agreements relating to that loan are collectively referred to herein as the “October 2023 Van Grunsven Secured Loan Documents.”

D. The real and personal property secured by the October 2023 Loan are collectively referred to herein as the “October 2023 Van Grunsven Collateral.”

E. Debtor remains indebted to the Trust for the unpaid principal balance in the amount of \$2,000,000, plus interest through the Petition Date, together with attorney’s fees, costs, and other expenses owing under the October 2023 Van Grunsven Secured Loan Documents (collectively, the “October 2023 Van Grunsven Trust Secured Debt”).

F. Debtor admits that the October 2023 Van Grunsven Trust Secured Debt constitutes legal, valid, and binding obligations of Debtor, enforceable in accordance with their respective terms (other than in respect of the stay of enforcement arising under Bankruptcy Code § 362), that no offsets, defenses, or counterclaims to the October 2023 Van Grunsven Secured Debt exist, and that no portion of the October 2023 Van Grunsven Secured Debt is subject to recharacterization, or subordination pursuant to the Bankruptcy Code or applicable nonbankruptcy law. Debtor also admits that Trust’s liens on and security interests in the October 2023 Van Grunsven Collateral (the “October 2023 Van Grunsven Liens”) constitute valid, binding, enforceable, and perfected liens on and security interests in the October 2023 Van Grunsven Collateral, and that such liens and security interests are not subject to subordination.

The foregoing admissions are without prejudice to the right of any other party-in-interest in this Chapter 11 case to challenge the amounts of the October 2023 Van Grunsven Trust Secured Debt, or the validity, enforceability, perfection, or priority of the October 2023 Van Grunsven Liens on and security interests in the October 2023 Van Grunsven Collateral.

G. Debtor admits that all of Debtor's cash, including, but not limited to, cash proceeds from the collection of customer contracts and accounts receivable ("Cash Collateral"), is cash collateral of the Trust within the meaning of 11 U.S.C. § 363(a) and is included in the October 2023 Van Grunsven Collateral.

H. Debtor requires the immediate use of Cash Collateral to minimize disruption to, and avoid termination of, its operations, and thereby avoid immediate and irreparable harm to its business pending a final hearing pursuant to Bankruptcy Rule 4001(b)(2). Debtor proposes to use Cash Collateral pursuant to the terms set forth herein and the budget attached hereto as **Exhibit A** (the "Interim Budget"). Debtor has requested that the Trust consent to Debtor's use of the Trust's cash collateral, and the Trust has agreed to do so on the terms set forth in this Order.

Now, based upon the foregoing, IT IS HEREBY ORDERED as follows:

1. The Motion is GRANTED in accordance with Bankruptcy Rule 4001(b) to the extent provided in this Order. Any objections to the Motion with respect to entry of this Order to the extent not withdrawn, waived, or otherwise resolved, and all reservations of rights therein, are hereby denied and overruled on the merits.

2. Debtor is hereby authorized, on an interim basis, to use Cash Collateral to fund the reasonable, necessary, and ordinary costs and expenses of its operations through the date that is the earlier of (a) December 31, 2023, and (b) entry of a subsequent order of the Court terminating Debtor's authority to use Cash Collateral, but only in accordance with the terms of this Order and the Interim Budget.

3. Debtor shall be in compliance with its obligations related to the Interim Budget so long as (a) the total amount of Cash Collateral used does not exceed the total amount set forth in the Interim Budget for all expenses by more than 10% for any given month, or on a cumulative basis; and (b) the amount of the line item in the Interim Budget for “Availability (Over-Advance)” does not deteriorate by more than 10% for any given month (the “Variances”). The Variances may be increased by amounts necessary to fund Debtor’s operations with the prior written consent of the Trust and without further order of the Court. Debtor shall otherwise not use Cash Collateral for any purpose that is not authorized by the Bankruptcy Code, the Interim Budget, and this Order or subsequent order of the Court. On or before 10 days after the end of each month, Debtor shall deliver to the Trust a report comparing, on a line item and aggregate basis, Debtor’s actual performance to the Interim Budget.

4. Pursuant to Sections 361, 362, and 363 of the Bankruptcy Code, as and for adequate protection for Debtor’s use of Cash Collateral, the Trust is hereby granted a valid, binding, enforceable, and perfected security interest and lien (the “Replacement Liens”) in the same priority as the October 2023 Van Grunsven Liens in and to all personal property of Debtor, whether now owned or hereafter acquired and wherever located, that is of the same type of personal property as the October 2023 Van Grunsven Collateral, and all rents, profits, and other proceeds thereof (the “Replacement Collateral”) except such liens shall be subordinate the lien and provisions of the order approving the Credit Motion with respect to the post-petition loan from the Trust, including the carveout provisions thereof. To the extent the Replacement Liens prove to be inadequate to protect against diminution in the value of the October 2023 Van Grunsven Collateral resulting from Debtor’s postpetition use of the Cash Collateral, the Trust shall be entitled to an allowed administrative expense claim under Section 503(b) of the Bankruptcy Code that will have super priority as provided in Section 507(b) of the Bankruptcy Code against non-exempt property of the Debtor’s estate (real and personal, tangible and intangible), whenever acquired or arising (the “Superpriority Claim”), but excluding those claims

and causes of action of the estate arising under Chapter 5 of the Bankruptcy Code, subject only to (A) any and all validly perfected security interests and liens existing as of the Petition Date, (B) the Replacement Liens, and (C) the liens and security interests and Carve Out granted under the order authorizing Debtor to obtain post-petition credit from the Trust. The Replacement Liens and Superpriority Claim are in addition to the October 2023 Van Grunsven Liens, and shall remain in full force and effect notwithstanding any subsequent conversion or dismissal of this case. The granting of such Replacement Liens and Superpriority Claim shall be in addition to the Trust's respective rights in the October 2023 Van Grunsven Collateral, and nothing herein shall constitute a waiver of the Trust's respective rights in the October 2023 Van Grunsven Collateral. The Replacement Liens shall be senior in priority to any and all liens or security interests in the assets of Debtor and its estates, whenever granted, except as set forth in an order authorizing Debtor to obtain post-petition credit from the Trust. Granting these Replacement Liens to the Trust is for the purpose of providing adequate protection to the Trust to protect its allowed secured claims as of the Petition Date and is not intended, nor shall it be deemed, to improve its collateral position as of the Petition Date.

5. The Replacement Lien and the Superpriority Claim (a) shall not be subject to sections 510, 542, 549, 550, or 551 of the Bankruptcy Code, (subject to entry of the final order on the Motion) the "equities of the case" exception of section 552 of the Bankruptcy Code, or (subject to entry of the final order on the Motion) section 506(c) of the Bankruptcy Code, (b) shall be senior in priority and right of payment to any lien that is avoided and preserved for the benefit of the Debtor and its estate under section 551 of the Bankruptcy Code or otherwise and, and (c) shall be valid and enforceable against any trustee or any other estate representative appointed or elected in this proceeding, whether upon the conversion to a case under chapter 7 of the Bankruptcy Code or appointed in this proceeding prior to conversion, or in any other proceedings related to any of the foregoing.

6. This Order shall be sufficient and conclusive evidence of the priority, perfection, and validity of the Replacement Lien, effective as of the Petition Date, without any further act and without regard to any other federal, state, or local requirements or law requiring notice, filing, registration, recording or possession of the Replacement Collateral, or other act to validate or perfect such security interest or lien (each, a “Perfection Act”). Notwithstanding the foregoing, if the Trust shall, in its sole discretion, elect for any reason to file, record, or otherwise effectuate any Perfection Act, the Trust is authorized to perform such act, and the Debtor is authorized and directed to perform such act to the extent necessary or reasonably required by the Trust, which act or acts shall be deemed to have been accomplished as of the Petition Date, notwithstanding the date and time actually accomplished, and in such event, the subject filing or recording office is authorized to accept, file, and/or record any document in regard to such act in accordance with applicable law. The Trust may choose to file, record, or present a certified copy of this Order in the same manner as a Perfection Act, which shall be tantamount to a Perfection Act, and, in such event, the subject filing or recording office is authorized to accept, file, and/or record such certified copy of this Order in accordance with applicable law. Should the Trust so choose and attempt to file, record, and/or perform a Perfection Act, no defect or failure in connection with such attempt shall in any way limit, waive or alter the validity, enforceability, attachment, or perfection of the post-petition liens and security interests granted herein by virtue of the entry of this Order.

7. Debtor shall otherwise comply in all respects with the provisions of the October 2023 Van Grunsven Secured Loan Documents to the extent consistent with the Bankruptcy Code and Bankruptcy Rules, including, but not limited to, maintenance of the Trust’s collateral and insurance (including all property and casualty risks).

8. This Order shall not constitute a waiver by the Trust of any of its respective rights under the October 2023 Van Grunsven Secured Loan Documents, the Bankruptcy Code, or other applicable law including, without limitation, (a) the Trust’s rights to later assert that,

notwithstanding the terms and provisions of this Order, any of its interests in, respectively, the October 2023 Van Grunsven Collateral, lack adequate protection within the meaning of Bankruptcy Code §§ 362(d)(1) or 363(e); or (b) the Trust's rights to assert a claim under Bankruptcy Code Sections 506(b) and/or 507(b). Any rights granted to the Trust in this Order are in addition to, and not intended as a waiver or substitution for, any rights, remedies, liens, or security interests granted to them, respectively, under the October 2023 Van Grunsven Secured Loan Documents, or the right to adequate protection under Bankruptcy Code § 363. The Trust's failure, at any time or hereafter, to require strict performance by Debtor (or by any trustee) of any provision of this Order shall not waive, affect, or diminish any right of it thereafter to demand strict compliance and performance therewith. No delay on the part of the Trust in the exercise of any right or remedy under, respectively, the October 2023 Van Grunsven Secured Loan Documents, or under this Order, shall preclude any other or further exercise of any such right or remedy or the exercise of any other right or remedy.

9. Debtor shall permit representatives, agents, trustees, and/or employees of the Trust to have reasonable access to its premises and to its records during normal business hours (without unreasonable interference with the proper operation of Debtor's business), and shall cooperate, consult with, and provide to such persons all such nonprivileged information as they may reasonably request.

10. The authority of Debtor to use Cash Collateral pursuant to this Order shall terminate automatically upon the earlier of (each, a "Change Event") (a) Debtor's material breach of this Order or the Interim Budget that is not cured within five business days after written notice to counsel for Debtor; (b) entry of an order that stays, reverses, vacates, or modifies this Order in any material respect without the prior written consent of the Trust; (c) conversion of Debtor's case to a case under Chapter 7 of the Bankruptcy Code; or (d) the appointment of a trustee in this Chapter 11 case. Upon the occurrence of a Change Event, the Trust shall have the right to schedule a hearing before this Court seeking such relief as they may

deem appropriate upon five business days' notice to (i) counsel for Debtor; (ii) counsel for any statutory committee appointed herein, or if no such committee has been appointed, then to the 20 largest unsecured creditors; (iii) the Office of the U.S. Trustee; and (iv) all parties that have requested special notice herein.

11. The provisions of this Order (i) shall be binding on any trustee appointed by the Court in either this case or upon the conversion of this case to one under Chapter 7 and (ii) shall survive confirmation of the any plan in the case or any dismissal of the case.

12. If any or all provisions of this Order are hereafter reversed, modified, vacated, or stayed by any subsequent order of this Court, such reversal, modification, vacation, or stay shall not affect the validity of any obligation to the Trust that is or was incurred by Debtor pursuant to this Order, and that is or was incurred prior to the Effective Date of such reversal, modification, vacation, or stay. Such reversal, modification, vacation, or stay shall not affect the validity and enforceability of any priority authorized or granted by this Order.

13. This Order shall be effective as of the date of entry by the Court.

IT IS FURTHER ORDERED that a continued and proposed hearing on Debtor's Motion shall be held by the Court in Courtroom \_\_\_\_\_ of the United States Bankruptcy Court for the District of Oregon, 1050 SW Sixth Ave., ctm. \_\_\_\_, Portland, Oregon 97204 on \_\_\_\_\_, 2023, at \_\_\_\_\_.m. before the Honorable \_\_\_\_\_. Within three business days after the entry hereof, Debtor shall mail or otherwise serve a copy of this Order, together with a notice of the further hearing.
